All of this learning will be done through a hands-on, play based approach.

ABSENCES—If your child is absent or ill, please call 402-223-1585, and inform us of your child’s absence and the reason for it. The secretary at this number will let your child’s teacher know if he/she will be gone. This is for your child’s safety. If a student must leave early for a doctor’s appointment, please report to the office to sign him/her out and the secretary will have your child brought to the office.

If your child is not in preschool and the teacher has not been informed of the absence, school personnel will make a reasonable effort to contact the parents, or emergency contacts, to ensure that your child is safe and where they are supposed to be.

If your child is a bus rider, please also contact the bus to let them know your child will not be riding.

ATTENDANCE—A key factor in making each child’s school experience a success is regular school attendance. However, attendance for our preschool program is not mandatory. Parent/guardians should notify the school before or as early as possible on the morning of the child’s absence or late arrival.

If your child is absent for more than 20 days a semester, without valid reason, your child’s spot may be forfeited, due to a large waiting list of students.

BIRTHDAY— Birthdays are special occasions for young children. We will do special, in class, celebrations for each child on his/her birthday. Party invitations and/or treats will not be allowed to be handed out in school.

BIRTH CERTIFICATES —A copy of all children’s birth certificates, with the raised seal, must be turned into the preschool office. A child’s birth certificate can be ordered from the Department of Health and Human Services, if you do not have one. You can visit this site: http://dhhs.ne.gov/publichealth/pages/ced_bicert.aspx or call 402-471-2871.

BREAKFAST —A school breakfast is served every morning for the morning and all day sessions of preschool. The students may charge their breakfast to their meal accounts. The breakfast menu will be handed out by teachers, through their newsletter, or is posted on the district website. All breakfasts will contain juice and milk. Pricing will be posted online and at the beginning of the year. Students may opt out of breakfast, or bring breakfast from home, but will still be required to sit at the table with the rest of the students, as meal time is a wonderful time to build communication skills.

BUSSING— Bussing will be offered to all students that live **within** the city limits. Here are some procedures we would like followed for families with students riding the bus:

- Parents are required to walk their student to the bus **and** pick them up from the bus door.
- No student will be allowed to get off the bus without an adult to meet their child at the bus door.
- No food or drink is allowed on the bus
- The bus will only wait 2 minutes for children to get on

All children that receive special education services will have access to bussing.

CALENDAR— A calendar has been developed that has all of the important dates for preschool. The calendar can also be found on the Beatrice Public Schools website.

COMMUNICATION-- An open line of communication is what makes for a successful school experience for everyone. Please make sure you work to communicate with your child’s teacher and the school. When communicating with the teacher you can either use email or Seesaw. If your child is sick, **PLEASE CALL THE SCHOOL** and not inform the teacher. There are times the teacher is gone and the message is not received at the office.

CONFERENCES— Parent-Teacher conferences are held twice a year. Conferences are held in late September and early February. The school will send home notes to let you know when your conference is scheduled. We will discuss your child’s accomplishments, strengths and overall progress. Please feel free to schedule additional conferences at any time throughout the year if the need arises.

DISCIPLINE— Our school is a small community where teamwork and good relationships are expected. We will spend time learning class procedures and practicing them. Each student is expected to act within our standards of behavior. To establish good order and help the children learn self-control, they will be guided to respect themselves and their companions through specific directions, positive reinforcement, suggested new activities and responsible actions.

We will talk about what expectations are within the classroom and then use positive behavior interactions to help learn and follow those expectations.

DISMISSAL— If your child is not picked up after class has dismissed, efforts will be made to contact the parent, or emergency contacts. If no one can be reached the police/authorities may be contacted to assist with the situation. Students will not be released to people that are not on your child’s emergency contact sheet. If the person is unknown to staff, he/she will be asked to show identification. **It is VERY important that the preschool has current phone numbers of parents and emergency contacts.**

E-MAIL- You can contact your child’s teacher via their email address: (first initial)(last name)@bpsnebr.org. Email is checked on a daily basis. If you need to discuss something urgently, please call the school or send a note.

EMERGENCY INFORMATION PAPER- Please complete and return the emergency paper promptly (if you did not complete it during registration). **If your home or work phone number changes, or your contact number change, PLEASE inform the office as soon as possible so you can be located quickly if an emergency occurs.**

EMERGENCY CLOSINGS- Radio station News Channel Nebraska (1450) or the local TV stations (Channel 8 or 11) will make an announcement, generally by 7:00 A.M. Parents will also receive a ConnectEd call to inform you of any situation, please listen carefully to the entire message.

FAMILY— Families play the central role in their child’s development. Engaging families into their child’s preschool experience is essential to maximize learning. We will strive to actively partner with parents and

guardians. There will be many opportunities for families to work with their preschoolers throughout the year. Some ways that we like to build the family –school relationship include but are not limited to the following:

- **Two home visits**—Home visits are a state requirement for the program. These visits will be in August and one 2nd semester.
- conversations.
- **Family activities**— flyers will be sent home throughout the year to inform you of family activities that will happen at school.

- **Early Childhood Advisory Committee (Preschool PTO)**- a group of parent collaborate with preschool staff and community providers that meet together and discuss current preschool happenings and events that are relevant to BCP.

FIRE DRILLS– Fire drills are held on a monthly basis throughout the year. All students will participate and are expected to exit quickly and quietly to their designated exit. We will practice and become familiar with procedures before our first scheduled drill. Sometimes these drills cause anxiety for kids, so we spend a lot of time talking about why we do fire drills. We learn that we do them so that we are safe in case there is a real fire.

FOOD ALLERGY- If a child has identified food or drink allergies, or medical conditions that require a modification in diet, the school may provide food and drink that takes this into account. For the school to provide dietary substitutions in snacks or meals, a doctor’s note is required stating the allergy or dietary requirement. If there will be food substitutions, required by the school, please pick up a form at the office to be completed by your family physician.

HEALTH- Health conditions that could affect your child’s safety or well being at school may be shared with school staff on a need-to-know basis. Examples of student health issues that could be shared include diabetes, seizures, peanut allergy, asthma and medications that might have a side effect at school (drowsiness, behavioral changes). If you do not want Beatrice Public Schools to share your child’s health conditions with school staff without prior written consent you much notify the building principal or his/her designee.

In order to insure the safety and health of our children and staff, children or adults who have any of the following conditions will be excluded from the preschool or a socialization until either the condition subsides, or we receive communication from the individual’s medical provider stating that they are no longer contagious. Below is a list of conditions that may result in exclusion:

- Fever—Students who have been absent due to an illness are to be **fever-free for twenty-four (24) hours without the aid of medication before returning to school.**
- Accident/Injury—In the case of an accident during school, the student’s parents or guardian will be notified.
- Temperature over 100°
- A painful, red throat, even if no fever is present
- A deep, hacking cough
- Difficulty breathing or untreated wheezing
- An unexplained rash
- Vomiting (within the last 24 hours)
- Diarrhea (running, watery or bloody stools)

- Complaints of a stiff neck **and** headache with one or more of the above symptoms
- Thick green drainage from the nose along with sinus pressure, fever or tiredness.
- Yellow discharge from eyes
- Unusual yellow colorings to the skin or eyes
- Cuts or opening on the skin that are pus-filled or oozing (bring a note from doctor and keep sores covered)
- Head Lice (Pediculosis)
 - **Exclusion**—Students with head lice are excluded from school until treated and nit-free. The parents or guardian is notified of the need for treatment, and advised to check other family members for pediculosis (lice). The school nurse and/or building principal or secretary must make certain the parent/guardian understands proper treatment for the affected child and control measures necessary to curb and outbreak in the home. Treatment or prevention counseling includes written instructions given to the parent/guardian.
 - **Readmission**—Readmission to school is dependent upon completion and verification of treatment with FDA approved pediculicide. Evidence of treatment include:
 - No visible signs of lice or nits
 - Clean hair and scalp
 - The louse shampoo label or a note from the physician stating the treatment used
 - A verified repeat treatment is needed 7-10 days following the initial treatment

Parents who feel their child is too ill to participate in outdoor activities should be advised by staff to keep them home an extra day to insure a complete recovery. If a chronic healthy condition limits participation in outdoor activities, a note from medical partner must be provided. If staff is unsure about a child's condition or a child is brought in to the site that they suspect is ill, they should first discuss the issue with the parent.

Home Visits— Teachers will visit every family at their home, or agreed upon location, two (2) times during the school year. These visits will happen in August and during 2nd semester. During these visits, teachers are getting to know you and your family. This is a great time to bridge the home/school connection. Home visits are a requirement component our preschool program according to Nebraska Rule 11.

ILLNESS- The question of when to keep your child home from school is often a difficult one, especially when decisions must be made first thing in the morning. It is important, however, to keep your child home if he/she is ill. This helps to make them more comfortable and prevents others from becoming ill. Children function more effectively in the classroom when they are healthy. Please remember that your child may not come to school with a temperature. Children may not come back to school until he/she has been fever free, without medications, for 24 hours. PLEASE SEE HEALTH ISSUES LISTED ABOVE!

IMMUNIZATIONS— Children in Nebraska may only enroll in and attend school if they are protected against communicable diseases and conditions such as measles, mumps, rubella, poliomyelitis, diphtheria, pertussis, and tetanus, by immunization prior to enrollment (Revised Statute, Chapter 79-217). The following are the vaccines children need prior to attending preschool:

4 doses of DTaP, DTP, or DT vaccine,
3 doses of Polio vaccine,
3 doses of Hib vaccine or 1 dose of Hib given at or after 15 months of age (Hib not required after child reaches 5 yrs of age),

LUNCH/BREAKFAST MONEY— Your child needs to have a positive lunch account. If you need to send money to school, please send it in an envelope with your child’s name written clearly on the front. Checks should be made out to “Beatrice Public Schools.” Please write your child’s name at the bottom of your check. If you are sending money for more than one child, please write each child’s name and the amount you want to put into each account. Have your child give the envelope to his/her teacher. Preschool children are charged for meals not snacks.

MANDATORY REPORTERS— The law requires that every member on staff at Beatrice Community Preschool reports any sign of child abuse or neglect. This includes proper safety restraints, or leaving younger children in vehicles while picking up your preschooler. If staff sees abuse or neglect they are required under state law to report.

All day students will be provided breakfast, lunch and a snack before leaving. The morning session will provide breakfast after arrival and a snack before departure. These products may be used without specific consent and are provided by the school. These products will be used at the discretion of the school nurse or other trained personnel. If your child needs a medication, prescribed by a doctor, a form will have to be filled out at the office.

MODIFIED DAY— We strive to make sure that all children feel comfortable at Beatrice Community Preschool. If a child is having a hard time adjusting to the all day schedule, we can modify his/her day until he/she is comfortable in the new surroundings. In order to hold his/her spot in the full day program, we ask that this modification is back to a full day by November 1st. If an all day option is not the right fit for the child, we can offer a half day classroom.

NEWSLETTER— Newsletters will be sent home once a week to keep families informed about what is happening in our preschool. This newsletter will cover items that happened during the week of preschool as well as a look into the following week. Each week, the learning targets will also be included. The newsletter is a great place to get conversation starts to help your child discuss what happened at school each day.

PRESCRIPTION MEDICATIONS— The administration of medication at school is strongly discouraged except when necessary for the students health or education. SNACK— Children will get a snack before they leave school each day. The snack is free of charge and it will be a healthy nutritious snack from two food groups.

Safety Restraint and Seclusion— Safety Restraint and/or Seclusion may be used when a student is in danger of hurting him/herself or others, as outlined in the District Safety and Crisis Response Plan. A Safety Restraint is the act of one or more persons using a physical hold to restrict a student's freedom of movement as a response to student behavior.
